

John and I hope that you and your families are all well and that 'lockdown' has not been too much of an inconvenience on your lives.

The current situation appears to be improving, so we have started to look at when we may be able to meet again.

If the government's plan to end restrictions by the end of June happens, then it may be possible for us to meet on August 4th. We will continue to make tentative arrangements for this date but we stress that this is obviously subject to being able to meet in large numbers at that time,

In addition, following our potential meeting in August, as we have mentioned in previous Newsletters, we plan to make our October meeting the occasion to thank the NHS and Key-workers with a special dinner evening, Your partners will be included in the invitation. If you wish to nominate a Nurse or Key-worker then please let either John or myself have the details. We cannot guarantee that all nominations will be accepted as numbers will be restricted to those that Club funds can accommodate. Again, this is subject to restrictions having been lifted.

To you all and your families, continue to stay safe and well as we look forward to meeting you all again soon.
