

The Aylesbury Club Commemorates H.M. Queen Elizabeth II

Club Dinner Meetings are traditionally held for members only. However, for this special evening of Commemoration and Thanksgiving, I believe our spouses and partners should also be invited. The Queen has been our Monarch for the entire period since our re-formation in 1957. She has served us and the nation with good humour, good cheer and good neighbourhood. She certainly enjoyed a joke or two and actively promoted good neighbourhood. Her Majesty has been the one constant in all our lives. Her reign of over seventy years, was carried out with dignity, enthusiasm and purpose. She supported and encouraged achievement in all walks of life which allowed her to say 'thank you' to all those who have contributed to the life of the nation and the Commonwealth with Garden Parties, receptions and other awards given in her name. The Aylesbury Club gives thanks to Her Majesty Queen Elizabeth II.

GRACE

For the life of our dearly departed queen Elizabeth,
For her dedication and commitment to us, her people,
The constant in our lives, we thank you.
For all god's gifts to us, and
For our fellowship with one another
And for the benefit of this the Aylesbury Club,
May god's holy name be praised. Amen

**A minutes silence for
H.M. The Queen**
