Newsletter

July 2021

At Last! We can now enjoy meeting up again.

You should by now have received your invitation to our Dinner Meeting at The Seven Stars on Wednesday 4th August. Please send John your menu choices as soon as possible, so that he can make the necessary booking arrangements.

In previous Newsletters I have spoken about a Thank You Dinner for our October meeting; an occasion to thank the NHS and Key-workers for their commitment to working throughout the pandemic.

As members appear to have accepted the idea, this will now take place as scheduled. If you wish to nominate a Nurse or Key-worker to attend then please let either John or myself have their details so that we may send them an official invitation. Without your nominations the event cannot take place, so please ensure that you contact and invite them, letting us have your nominations as soon as possible please.

As this will be a normal Club Dinner Meeting in style, i.e. NOT a Black Tie event, but with extra 'Guests' we would like to include your partners in the invitation.

The Thank You Dinner will take place on Wednesday 6th October with the venue yet to be confirmed, but depending on

numbers etc., it might be in the Function Room at the Canal Basin.

John and I look forward to meeting you all again, so continue to stay safe and well.

Ray Ghent
President
