

With a second 'lockdown' well underway the situation may just be getting slighter better, or is that just wishful thinking. However, there is a vaccine hopefully on the way. We can all live in hope.

The response to my October Newsletter was a little disappointing. With only 5 members replying.

Those that did reply would like to see the special dinner for the NHS and Key workers go ahead. So that will be added to our calendar as and when we are able to meet.

The idea for a Zoom get together on the evening of the 2nd December to coincide with what should have been our Christmas Dinner however was not so well supported, so that will not be happening.

If any of you have any other ideas that you would like us to consider, please let us know your thoughts.

Remembering 2019

Stay safe and well.
