

Well, the situation hasn't improved any, so unfortunately we still cannot enjoy our Dinner Meetings together. It would appear that we will be unable to do so for some time to come.

As a result, John and I have agreed to suspend the payment of subscriptions for 2020. Should you have already paid for this year, then it will be carried over to 2021.

John and I have discussed the possibility of organising a special dinner to thank the NHS and Key workers for their diligent

reaction to the pandemic. Obviously given the restrictions in place at the moment, this too would have to be put on hold. We would however, ask for your opinion on providing this special dinner, where we would invite a number of these good people to join us for a tribute to them. Please let either John or I know your feelings so that we may act accordingly.

Not being able to meet for our traditional Christmas Dinner this year, we wondered if we should however have a get together via ZOOM. We are aware that a number of you use this video chat application and we could set up a 'meeting' of those members who wish to spend

some time on the evening of Wednesday 2nd December. This would have been the evening for our Christmas Dinner Meeting.

Again, please let us know if you would like to join in, so that we can make the necessary arrangements.

If any of you have any other ideas that you would like us to consider, please let us know your thoughts.

To you all and your families, stay safe and well and I look forward to meeting with you all again soon.
